Life of General Washington

David Humphreys

Life of General Washington David Humphreys

This biography of George Washington?the only one authorized by the general himself?was written by his close friend and military aide David Humphreys. It offers a rare, intimate glimpse of Washington's life, from his birth in 1732 until his assumption of the presidency in 1789. After reviewing a portion of the manuscript, he added a section of "Remarks," which reveals a personal side that he seldom exposed in his letters or other writings.

In a remarkable feat of historical detective work, Rosemarie Zagarri assembled manuscripts from three separate archives to reconstruct and publish the complete biography along with Washington's "Remarks."
