Prison of Dreams Celeste Hall **A Full Length Romantic Fantasy Adventure**

How would you live your life, if you believed your soul was already damned?

Emily Torr is a simple peasant girl, who was accused of witchcraft and left to die in the cold dark bowels of Lord Stephen's prison. There she is haunted by strange dreams. But when those dreams take a frightening turn toward reality, she must confront her darkest fears to survive. In the process, she'll find herself unwillingly drawn into a fight to save the kingdom from falling into the hands of a tyrant.

WARNING: This full length romance novel is full of fantasy and adventure, but it has a few scenes which might qualify as erotica, best intended for adult readers. I can't help it! I just love a good erotic romance with medieval heroes rescuing the damsel in danger. If you love a romantic fantasy adventure with a hint of sexy heat and magic, you'll probably enjoy this book.
