**The Art of Asking Your Boss for a Raise** Georges Perec

**Darkly funny account of the office worker's mindset by the celebrated French novelist**

A long-suffering employee in a big corporation has summoned up the courage to ask for a raise. But as he runs through the looming encounter in his mind, his neuroses come to the surface: What is the best day to see the boss? What if he doesn't offer you a seat when you go into his office?

*The Art of Asking Your Boss for a Raise* is a hilarious account of an employee losing his identity—and possibly his sanity—as he tries to put on the most acceptable face for the corporate world, with its rigid hierarchies and hostility to new ideas. If he follows a certain course of action, so this logic goes, he will succeed—but, in accepting these conditions, are his attempts to challenge his world of work doomed from the outset?

Neurotic and pessimistic, yet endearing, comic and never less than entertaining, Perec's Woody Allen-esque underling presents an acute and penetrating vision of the world of office work, as pertinent today as it was when it was written in 1968.

#### **Larry Davis:**

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Art of Asking Your Boss for a Raise can make you sense more interested to read.
