The Reagan Years (Presidential Profiles)

Stephen F. Knott, Jeffrey L. Chidester

The Reagan Years (Presidential Profiles) Stephen F. Knott, Jeffrey L. Chidester

Following a week of mourning in which tens of thousands of admirers paid their respects, former president Ronald Reagan was laid to rest in June 2004. Credited by former British prime minister Margaret Thatcher with having "won the cold war," Reagan is best known for his supply-side economics and fiscal policy (dubbed Reaganomics), the Reagan Revolution, and his summits with Mikhail Gorbachev. A beloved president, Reagan left office as the nation was experiencing an unprecedented period of peacetime prosperity. From relations with the Soviet Union to domestic tax reform, *The Reagan Years* provides a comprehensive look into Ronald Reagan's presidency. In an easily accessible format, this A-to-Z guide provides approximately 90 biographical entries on the most important people in Reagan's administration and examines the consequential events, policies, and issues of this era.

From reader reviews:

Marcus Galvan:

What do you think about book? It is just for students since they are still students or this for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book The Reagan Years (Presidential Profiles). All type of book could you see on many sources. You can look for the internet sources or other social media.

Raymond Striegel:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire their particular reader with their story as well as their experience. Not only the story that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this The Reagan Years (Presidential Profiles).

Frank Tye:

Is it an individual who having spare time in that case spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This The Reagan Years (Presidential Profiles) can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Denise Adams:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Reagan Years (Presidential Profiles) can make you experience more interested to read.
