World in Denial - Defiant Nature of Mankind: (Prophetic Evidence for a Divine Creator - A Biblical Account) Roger G Gallop

The primary focus of the book is on the defiant nature of mankind, both Jew and Gentile, from the beginning of history to present day; Jewish history and Abrahamic and Mosaic Covenants, and consequences for disobedience; how Old Testament prophecies relate to "current" end time events; indisputable prophetic evidence for Divine intercession into man's activities; and God's plan for the redemption of all mankind. Prophetic super signs of the end times include the miraculous rebirth of Israel on May 14, 1948, and the miraculous repossession by Israel of the ancient City of Jerusalem on June 5-10, 1967, both of which are "fundamental to end time Bible prophecy." Other prophetic events in today's world include renewal of the age-old conflict between Israel and Arab neighbors; decline of the United States; increase in immorality, violence, and lawlessness; rise of Russia, Iran, and China; and what we can expect in the near future.
