Cripple Wolf Jeff Burk

Part man.

Part wolf.

100% crippled.

Welcome to Fetish Flights, the only airline where BDSM flight attendants service your every need. Aboard a red-eye flight from Tokyo, Japan to Portland, Oregon, a disabled Vietnam vet is harboring a secret. Every full moon he turns into a ravenous killing machine. When he transforms mid-flight and slaughters most of the passengers and crew, a Japanese punk band, a limbless superhero, a Muslim terrorist, and two stoner pilots must fight to stay alive until they reach land. In the spirit of *Snakes on a Plane* and *Tokyo Gore Police*, *Cripple Wolf* is a hilarious, perverted, and hyper-violent ride for fans of video games, comic books and trash culture.

This collection includes six additional stories: *Punk Rock Nursing Home*, *Adrift with Space Badgers*, *Cook for Your Life*, *Just Another Day in the Park*, *Frosty and the Full Monty*, and *House of Cats*.

"From the twisted author who penned *SHATNERQUAKE*, *HIPSTER HUNTER*, and *SUPER GIANT MONSTER TIME!* and the publishing house that brought you *THE HAUNTED VAGINA*, comes this hyper-violent, hilarious collection of absurd shorts that will startle, entertain, and undoubtedly offend. Warning: a sense of humor is absolutely required to enjoy tales about a werewolf in a wheelchair, and S&M airline, and badgers from outer space."

- Jessa Sobczuk, Rue Morgue Magazine # 119
