SAGE Educational Research Methods, powered by AcrobaTIQ, is an online course that brings together authoritative Research Methods content with technology, data, and learning science from AcrobaTIQ, a learning optimization company from Carnegie Mellon University.

Based on the book *Educational Research* by authors R. Burke Johnson and Larry Christensen, the course includes a Learning Dashboard that will help you quickly assess students' learning and progress and adapt instruction and intervention to maximize student success.

Students receive auto-graded practice with targeted feedback through "Did I Get This?" and "Learn By Doing" activities. Synthesis and application activities help students apply new knowledge to real-world concepts. Summative assessments ensure successful knowledge acquisition.
