\*\*Each new print copy of Emergency Medical Responder also includes Navigate 2 Preferred Access that unlocks a complete eBook, Study Center, homework and Assessment Center, Navigate TestPrep, and a dashboard that reports actionable data. Based on the new National EMS Education Standards and endorsed by the American Academy of Orthopaedic Surgeons, the Fifth Edition of our core first responder textbook offers complete coverage of every competency statement with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. The experienced author team and the AAOS medical editors have transformed the Education Standards into a training program that reflects best practices in prehospital medicine. Current, state of the art medical content has been incorporated along with new cognitive and didactic material, and skills and features, to create a robust and innovative training solution for your course that will engage student's minds. Interactive resources, including online testing and assessment materials, learning management system, and eLearning student resources, allow you the flexibility to build the course that works best for you and your students. The Fifth Edition is the only way to prepare law enforcement personnel, fire fighters, rescue squad personnel, athletic trainers, college students, and laypersons for the challenges they will face in the field.
