Through vibrant, lively images in conjunction with clear, informational text, young readers learn the principles to saving and spending money. Readers are introduced to and encouraged to find the difference between what they need and what they want, and how to make wise choices based on those concepts.

### **About Shell Education**

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
