The Do's and Don'ts Hayley Rose

The Do's and Don'ts is a whimsical lesson book aimed at teaching young readers the difference between good and bad behavior/etiquette. In the book Zack and Chloe go from being manner monsters to well-behaved children as they provide samples of typical scenarios that not only young children encounter but can relate to. For example, Zack becomes a Manner Monster when he loses a game, kicking and pouting like a poor sport. In contract, good behavior is then modeled depicting Zack congratulating the winning team. Unlike other etiquette books for children that tell a story or just communicate positive behavior, *The Do's and Don'ts* compares and contrasts between good and bad behavior. Simply, yet colorfully displayed, are examples of inappropriate behavior and decisions young children may display followed by behavior and decisions that are more socially accepted. Each compare and contrast anecdote is set in the same scene so that young readers can instantly see the differences between good and poor behavior.

From reader reviews:

Marcy Ontiveros:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each e-book has different aim or even goal; it means that book has different type. Some people experience enjoy to spend their a chance to read a book. They may be reading whatever they get because their hobby is reading a book. Think about the person who don't like examining a book? Sometime, man feel need book once they found difficult problem as well as exercise. Well, probably you should have this The Do's and Don'ts.

Kendrick Mills:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love The Do's and Don'ts, it is possible to enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't have it, oh come on its referred to as reading friends.

Jesus Gates:

Are you kind of hectic person, only have 10 as well as 15 minute in your morning to upgrading your mind skill or thinking skill also analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short period of time to read it because this time you only find book that need more time to be learn. The Do's and Don'ts can be your answer mainly because it can be read by you actually who have those short time problems.

John Dame:

Do you like reading a book? Confuse to looking for your best book? Or your book had been rare? Why so many query for the book? But virtually any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and The Do's and Don'ts as well as others sources were given expertise for you. After you know how the fantastic a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In some other case, beside science e-book, any other book likes The Do's and Don'ts to make your spare time far more colorful. Many types of book like this.
