The Starry Gnosis describes the “Lesser Mysteries” of the Western Mystery Tradition and shows not only how Thelema has brought the ancient skies into the modern era, but also how Washington, DC formulates the prophesied ‘third temple’—as Rome was the second and Egypt was the first. The story writing by the ancients into the zodiac has been the source of prophecy for aeons and even the aeons of time are measured by this prophecy. Altogether this summarizes the mythos of the world that is now coming into being.
