Chomp!, Accordâ€™s latest innovation, pairs a board book with a working mouth, letting little readers make animals yawn, smile and growl. Itâ€™s a roaring good time!

Accord is taking another big bite of innovation with *Chomp!* Our newest invention pairs a tot-friendly board book with an actual working mouth. The result is anything but ordinary. Each die-cut spread reveals a different animal, with the mouth visible through the hole. With the pull of a single tab, kids will become little ventriloquists, working the jaws to make lions roar and polar bears yawn. Adding simple text and richly drawn illustrations makes this an irresistible package.
