The Adventures of ExoKid- Growing Financial Wings is the second in the little CFO series of early learning books designed to teach children the practical and spiritual aspects of managing money and to build these critical lifelong skills. This sequel book to the first entitled The Adventures of Exokid and the Teachings of Money introduces some advanced concepts of money and business in a fun and easy to understand format, together with discussion points. Key influencers such as parents and teachers are encouraged to read these books to their children, and talk openly about basic money management and business - a home and school curriculum dialogue which must now become a priority.
