"The Vedanta Treatise presents the ancient philosophy of Vedanta. A philosophy which enunciates the eternal principles of life and living. Living is an art, a skill, a technique. Few understand it to be so, in the span of human history. Nevertheless, you need to learn and practise the technique of living. As you would for playing a musical instrument or flying an aircraft. The world today is unaware of this process of learning. They lack this fundamental knowledge of living. And have become victims of stress and strain. Above all, the Treatise helps you evolve to greater heights in your own spiritual path. It provides you with the knowledge and guidance to reach the ultimate in human perfection.
