## Contact Sheets: Selected Photos Vol. 1 (Postwords)

This book is a selection of contact sheets and photographs by international and well-known photographers through which one can write an "original" history of photography. Each selected photo tells us the point of view of his/her author, whereas the contact sheets offer us the opportunity to better understand how the photographer has come to choose the right shot. Each selected photo is accompanied by a text written by the photographer, in which he/she tells to the reader when and why the picture was realized. This first book in the series features photographs by Michael Ackerman, Morten Andersen, Roberta Bayley, Stefano De Luigi, Jason Eskenazi, Joan Fontcuberta, Stanley Greene, Lauren Greenfield, Graciela Iturbide, Nadav Kander, Steve McCurry, Paolo Pellegrin, Anders Petersen, Alessandra Sanguinetti, Alex Webb, and many others.

**Giammaria De Gasperis** was born in Sora in 1983. He is co-founder and editorial director of the photographic magazine *Rearviewmirror*. He edited the two volumes of *Contatti—Provini d'autore*, published by Postcart Edizioni and André Frère éditions, that are distributed worldwide and translated in Italian, English, and French.
