## **How I Sold 1 Million eBooks in 5 Months** John Locke

Now, for the first time ever, John Locke reveals the marketing system he created to sell more than 1,100,000 eBooks in five months! His Credentials: John is the eighth author in the world-and the first self-published author in history-to have sold 1 million eBooks on Kindle! He is the first self-published author to hit #1 on the Amazon/Kindle Best Seller's List, and the first to hit both #1 and #2 at the same time! He is a New York Times best-selling author! He has been featured in the Wall Street Journal and Entertainment Weekly! He has had 4 of the top 10 books on Amazon/Kindle at the same time, including #1 and #2! He has had 7 books in the top 34 and 8 books in the Top 50 at the same time! These numbers are not positions within a category. They are positions that include all Kindle sales including fiction, non-fiction, magazine subscriptions, and game apps! By the middle of March, 2011, it had been calculated that "every 7 seconds, 24 hours a day, a John Locke novel is downloaded somewhere in the world." ...All this was achieved PART TIME, without an agent, publicist, and at virtually no marketing expense!
