*She saw it coming. She knew it would happen but no one believed her.*

Almost a year after tragedy shattered her family, sixteen-year-old Paige Thomas can't break free from her guilt. Her mother ignores her, doting on her annoying little sister, while her father is a barely-functioning shell. He hopes a move to the quiet little town of Shadysboro PA will help them heal, but Paige doesn't believe in happiness anymore.

On her first day at school, a chance encounter with a bullied eighth grader reawakens a gift Paige had forgotten, and ingratiates her into a pack of local outcasts. For weeks, they've been trying to cast a ritual to fulfill their innermost desires, but all they've done is waste time. After witnessing Paige touch the Ouija board and trigger a paranormal event, the girls are convinced another try with their new fifth member will finally work.

*Once the darkness is unleashed, it's not long before they learn it will give them exactly what they asked for whether they want it or not.*
