In this one-of-a-kind workbook, author and youth speaker Justin Lookadoo walks with teens through the experience of radical faith. He challenges youth to actually live out what they believe through practical steps like giving up their TV, Internet, PlayStation2 and magazines for 30 days.

The unique four-color design is eye-catching and appeals to any postmodern teen. The non-linear style is inviting and unassuming, so teens will feel that they can approach this study with confidence.

Formerly sold as "Step Off: The Hardest 30 Days of Your Life," this book has garnered tremendous positive feedback from actual teens who have survived the life-changing experience. It will be the hardest and best book a teen or youth group has ever studied together.
