To meet the wishes of my English friends I have assented to the publication of these Lectures in English as well, as in German, and as my esteemed friend Mr. Bailey Saunders was so self-denying and obliging as to undertake the translation of them, I was sure of their being in the best hands. Whether there is as great a need in England as there is in Germany for a )short and plain statement of the Gospel and its history, L.-, do not know. But this I know: the theologians of -every country only half discharge their duties if they think it enough to treat of the Gospel in the recondite language of learning and bury it in scholarly folios.
