## What's a Fish? (All about Animals) Anna Kaspar

We think of all fish as water-dwelling, but some fish are capable of traveling by land as well. Then there are some traits that all fish do have such as gills and scales. This incisive volume offers kids a great introduction to the many species of fish that inhabit our oceans, seas, bays, rivers, stream, lakes, ponds, and other bodies of water. Young readers will even learn about the difference between ocean water and fresh water. The gorgeous photographs of fish of many species will charm readers.
