Do You Really Want to Meet a Shark? Cari Meister

Six new titles in this popular narrative nonfiction adventure series feature animals from the ocean to Africa to Australia. Child adventurers become wildlife tourists and make firsthand observations about the animals. According to Booklist, "This engaging and original take on a perennially popular subject will be a welcome addition to school and public library collections." Each title features a world range map and additional resources list for further study. A child learns about several shark species and then goes on a cage diving adventure to meet a great white shark.
