Paradoxes Zakari Tata M.D.

Paradoxes is a collection of inspirational poems which depict the universal truths reflected in mankind's struggle with the principle of moral conduct and human interaction. Throughout my life's journey, I have been immensely inspired by the atomic contradictions of mankind's quest for morality and self aggrandizement. The words reveled to by people of all walks of life, from the near and distant past, in spoken word and written text; awaken in the pages of Paradoxes as universal reflections of the nature of human interaction. Paradoxes will challenge your preconceived notions of morality and invoke an internal reflection of your encounters with human kind. Are you on the right side of the Paradoxes?
