Take a guided tour from a writer who grew up and studied on Native American reservations and join those throughout the world—from Siberia to South America, Australia to Africa—who venerate the drum for its healing and celebratory powers. Through painting, cleansing, blessing, smudging, dedicating, chanting, and performing, you'll find your own special beat, transforming the drum into a medicinal tool. Become one with a purchased or homemade instrument. Draw on the knowledge of Native American and other cultures to drum away fear, purify, establish a sacred space, and reach into areas of the consciousness that would otherwise be inaccessible. Extra special bonus: a CD with more than an hour's worth of music for a Sacred Directions ceremony, meditation, trance, and more.
