You've met her before. Confused. Scared. Indecisive and unsure. Walk with Kyla as she attempts to bandage aching wounds still bruised from a love once lost. Can she move forward in a relationship when fantasies and invitations from the past lure her back to a time and place she's spent three years hiding from, yet can't let go?

*You Make Me Wanna...*, the conclusion to its cliffhanger prequel, *Double Pleasure Double Pain*, answers the question you've been hungry for: what happened to Kyla?

Nikki Rashan has done it once again with her sophomore novel *You Make Me Wanna...*! This masterfully written sequel to *Double Pleasure Double Pain* gives you another voyeuristic, yet intimate look into Kyla's journey to self-discovery.

Its colorful language, vivid imagery, and Rashan's uniquely smart but fast paced story telling is soon to turn *You Make Me Wanna...* into a classic.—Vertna Bradley, author of *Encounters* and owner of PATAVision Productions.
