DEMOGORION (2nd edition) presents the path of genuine devotional Satanism from the Res Satanae tradition of Valentin Scavr. Written originally in Russian and translated into English, it is the premiere work on the spiritual quest which leads the initiate into genuine communion with the powers of Hell. This text provides instructions for rituals, devotion, and instructions necessary to undertake the year-long Black Pilgrimage. DEMOGORGON also includes sigils and devotional art, making this an effective book for altar work.
