Wolfgang Clemen

English Tragedy before Shakespeare: The Development of Dramatic Speech (Routledge Revivals)

Wolfgang Clemen

First published in English 1961, this reissue relates the problems of form and style to the development of dramatic speech in pre-Shakespearean tragedy. The work offers positive standards by which to assess the development of pre-Shakespearean drama and, by tracing certain characteristics in Elizabethan tragedy which were to have a bearing on Shakespeare's dramatic technique, helps to illuminate the foundations on which Shakespeare built his dramatic oeuvre.
