**Leonard Cohen: Popular Problems (PVG)** Leonard Cohen

**Popular Problems** is the thirteenth studio album by legendary singer-songwriter *Leonard Cohen*. This **Popular Problems** sheet music features all of the songs from the album arranged for Piano, Vocal and Guitar.

Released a day after his 80th birthday to wide critical acclaim, Leonard Cohen's thirteenth album is a dark and understated work featuring *Cohen's* distinctive voice, his poetic lyrics and some bluesy instrumentation. Featuring songs like *Slow*, *Almost Like The Blues* and *You Got Me Singing*, the album is a throwback to those dark American dive bars where the smell of smoke and whisky blends with the sounds of a deep and croaky voice.

On **Popular Problems**, this voice comes from the legendary figure of folk music whose mysteriously cryptic lyrics made their way onto the scene in 1967. After struggling as a poet and novelist, *Cohen* turned his hand to folk songs which, like Bob Dylan before him, he was perfectly suited to. Our **Popular Problems** sheet music features accurate transcriptions of all the songs from the latest offering from this old master of folk music.

The album is a subtle and quiet one, with beautiful lyrics, simple melodies and some interesting music that ranges from Piano chords to folk Guitar strumming. There are even a few unexpected surprises such as the Middle-Eastern influences on the song *Nevermind*. These little touches keep the album interesting and exciting while retaining the essence of *Cohen's* past music.

This **Popular Problems** songbook would be perfect for the *Leonard Cohen* fan, the singer-songwriter looking to learn from a master, or just someone who loves great music by a great musician.
