Sophie's Trophy

Susan Middleton Elya

Sophie's Trophy Susan Middleton Elya

Sophie's brother has a mantel full of awards for his cute warts— verrugas—and shiny skin, but Sophie isn't nearly as good looking and doesn't have any trophies at all.

One day, while Sophie is singing about her sorrows, the Toadettes are impressed and ask her to join their group. They convince her to do a solo at the fair when the rest of the group gets sick from eating bad flies. You can guess who finally gets a trophy of her own that night.

Susan Elya's seamless verse that includes Spanish vocabulary and Viviana Garofoli's vivid, lively illustrations makes Sophie's story one all kids will relate to while they search for their special talents.

From reader reviews:

Johnna Chapin:

What do you think of book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has distinct personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book Sophie's Trophy. All type of book would you see on many options. You can look for the internet methods or other social media.

Katherine Herron:

Spent a free time for you to be fun activity to try and do! A lot of people spent their free time with their family, or their own friends. Usually they performing activity like watching television, gonna beach, or picnic inside the park. They actually doing same every week. Do you feel it? Will you something different to fill your current free time/ holiday? Could possibly be reading a book might be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the e-book untitled Sophie's Trophy can be great book to read. May be it can be best activity to you.

Leigh Harris:

The reason? Because this Sophie's Trophy is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

William Hill:

The book untitled Sophie's Trophy contain a lot of information on that. The writer explains the woman idea with easy technique. The language is very straightforward all the people, so do not necessarily worry, you can easy to read that. The book was written by famous author.
