## **The Necrophiliac** Gabrielle Wittkop

For more than three decades, Lucien — one of the most notorious characters in the history of the novel — has haunted the imaginations of readers around the world. Remarkably, the astounding protagonist of Gabrielle Wittkop's lyrical 1972 novella, *The Necrophiliac*, has never appeared in English until now. This new translation introduces readers to a masterpiece of French literature, striking not only for its astonishing subject matter but for the poetic beauty of the late author's subtle, intricate writing. Like the best writings of Edgar Allan Poe or Baudelaire, Wittkop's prose goes far beyond mere gothic horror to explore the melancholy in the loneliest depths of the human condition, forcing readers to confront their own mortality with an unprecedented intimacy.
