The wonder of being a dad is on display in this touching tribute to fathers. After all, the connection between a father and child yields a lifetime of learning and love. In *You and Me, Me and You*, that special bond is honored through poignant, tenderly rendered illustrated vignettes: a father and son walk together, discuss life amid a city's bustle, play, and, perhaps most profoundly, grow, side by side. Bright pops of Pantone yellow infuse each spread with joy, and a cloth spine adds an irresistible specialness. At once a treasured Father's Day gift and a year-round "I love you," parents and children will delight in this celebration of a supremely meaningful relationship.
