This collection of 48 afghans is created so that the motifs can be joined as they are crocheted. This means that once you have finished crocheting all the motifs or panels, you are really finished! Since the motifs are added one after the other, you won't have a pile of motifs that need tedious sewing together. And afghans made in panels are added as you are crocheting as well. So the good news is, once you are finished crocheting you are really ready to enjoy your afghan.
