Making the Grade Stan Osborne

This is a wonderfully evocative, witty, thought provoking and gritty trip down Memory Lane - one that every Evertonian and 'nearly-but-didn't-quite-make-it' footballer will adore. Stan Osborne's debut book captures a very special era in footballing history and his highly detailed 'fly-on-the-wall' insight into Everton's title-winning season gives a unique perspective on a very special season - one that also underlines how different life is for today's want-for-nothing footballing starlets.
