## Oulipo: A Primer of Potential Literature

A remarkable collection of writings by members of the group known as the Oulipo (Ouvroir de littérature potentielle), this anthology includes, among others, Italo Calvino, Harry Mathews, Georges Perec, Jacques Roubaud, and Raymond Queneau. Founded in Paris in 1960, the Oulipo views imaginative writing as an exercise dominated by the method of "constraints." While a major contribution to literary theory, and also great fun, Oulipo: A Primer of Potential Literature is perhaps most distinguished as an indispensable guide to writers.

#### **Joyce Cannon:**

Is it a person who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Oulipo: A Primer of Potential Literature can be the solution, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these publications have than the others?

#### **Margaret Pace:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Oulipo: A Primer of Potential Literature can make you experience more interested to read.
