The Key to Love: A Teaching from the Beings of Light for an Enlightened Reality on Earth Hope Ives Mauran

"The beliefs you hold are your jailers or your wings to freedom. Your beliefs are like the ultimate witness to your life. The witness that then is able to say "I told you so" when your endeavors predictably align with your beliefs. And so it is best to manipulate your beliefs to include your True Potential as the most Loving, engaged and charismatic Teachers through time have spoken of... you have the potential to dream as big as the God that is your origin. What need hold you from your Life's fullest expression? Why would One allow the limitation experience of your ancestors be your own limitation as well? This unquestioned acceptance of limitation must cease now, so that the New World is free to be revealed. You live as the Being you imagine you are. Imagination is the powerhouse of your inner God when aligned to Truth, Oneness and Source."- Chapter VI, Section 77.
