ART OF THE CELTIC SCRIBE: Premium Edition Courtney Davis

ART OF THE CELTIC SCRIBE: (special 'premium colour' edition) This beautifully illustrated compilation of the work of world-renowned artist Courtney Davis will delight all those who have admired his work over the years. Containing many of his more memorable designs and artwork from earlier publications, the Art of the Celtic Scribe also features a number of previously unpublished original images - handsomely recreated in meticulous detail. The first in a series of planned reprints and compilations designed to chart the author's personal journey of development over the years, these beautiful full-colour books focus not only on the evolution of Courtney's considerable design skills, but perhaps more importantly, they serve to illustrate the author's own spiritual journey where his art has now become both the product and an extension of that living journey. The author offers this book "...as an appreciation to all those who have connected with me over the years". A delightful and inspiring addition to any library or school of art, as well as a wonderful gift for aficionados of the Celtic design genre and for those who understand and appreciate the inherent value of original art that truly lifts the spirit, enlightens the mind, and liberates the soul.
