Cultural Code Words of the Hopi People: Key Terms that Reveal the History, Heart, Traditional Customs & Wisdom of the Hopis Boye Lafayette De Mente

The oral history of Arizona's Hopi Indians tell them that they were the very first human beings on the North and South American continents, having arrived on rafts, traveling from island to island across the South Pacific--not by the Alaska-Siberia landbridge...

Internationally known author Boye Lafayette De Mente uses key words in the Hopi language to reveal their history, their spiritual beliefs, their traditional lifestyle and a list of astounding predictions. He also reveals why the Hopi chose the barren regions of northern Arizona as their final homeland.
