## **Forbidden Erotica** Mark Rotenberg

From bloomers to bikinis: sexy photos since the early days of photography (TASCHEN's 25th anniversary special edition) Mark Rotenberg was inspired to begin collecting lost and forgotten erotic photographs after he stumbled upon over a thousand very graphic vintage photos in a dumpster in Brooklyn. His collection now tops out at about 95,000 photos covering the period from 1860 to 1960. This special 25th anniversary edition draws highlights from Rotenberg's collection of crazy hardcore photographs that would make your grandmother squirm. How odd it is to see ladies in bloomers and corsets with men sporting handlebar moustaches, transfixed in the raunchiest of positions!
