This book is specifically written for both Pacman fans, boxing enthusiasts and random individuals who wish to take a closer look at the life of the “Peoples Champion”. A sporting icon, Filipino’s pride and a man with countless abilities - that’s how Manny Pacquiao is often described. In the realm of boxing he is known as “Pacman”, but in the real world he is recognized as an idol of the mass - a man who had been a figure of hope, determination and success. His story is simply one of a kind. Born from a middle-class family and struggled with poverty, had dreamed, faced countless obstacles (in ring and in real life), but surpassed each one with utmost courage, and eventually achieved success. He is the exact person to show the journey of a man from ‘rags to riches’. Manny Pacquiao undoubtedly deserves the recognition as world’s best fighter and pound-for-pound king. Everyone is perhaps fully aware how he beat the boxing champion in several fights. A true champion, isn’t he? But that’s not where his virtuosity ends. Manny Pacquiao has been vigorously pursuing his attention and interest in diverse fields such as entertainment (acting and singing), politics and other kind of sports. All of his achievements speak for his tremendous success. However, what really caught the heart and interest of the crowd is the fact that he had been once a simple boy living a simple life but with great determination and hard work, and ready to actualize his dreams. “Pacman” has already reached the peak of success and currently serving his nation. But success is never without difficulties.
