A Lyric Architecture: Selected Works of John Malick & Associates New Classicists John Malick
John Malick and Associates: New Classicists features superb photography of luxury homes in a range of traditional styles.

The book is a valuable resource for architects, interior designers, builders, and home decorators. Based in the San Francisco Bay Area in California, the classically trained architects of John Malick and Associates draw from numerous historical styles, including English Arts and Crafts, Mediterranean, and Georgian Colonial. Each project reflects the spirit of a unique time and place, while also addressing current needs and budgets.

The projects featured in this monograph abandon the modern idiom and return to a time when buildings reflected noble achievements, pastoral visions, and sacred resonances. They embrace construction methods that revive the lost art of craftsmanship. Time-tested materials and picturesque details such as post-and-beam construction reflect the care and craft that are the signatures of artistic attention. Authentic finishes and hardware infuse a sense of beauty and livability rarely achieved by modern architecture. Through lush photography and engaging text, the reader is able to experience the sophistication of a Palladian neoclassical villa, the warmth of a Yorkshire cottage, and the sun-washed simplicity of a Mediterranean village nestled in the hills.
