“Three women, each with an important question to answer, travel together into a world richly imagined and beautifully rendered to find unconventional answers. This is a deeply moving novel about love, honesty, respect, the unlikely, and the truly possible.” - Anita Shreve When Ellie's cancer exhausts the reaches of modern medicine, she travels to Ecuador with her lifelong friends, Tess and Joline, hoping that local shamans might offer a miracle. During a tumultuous week that includes strange, ancient ceremonies and a betrayal that strains their bond, each woman discovers her own deep need for healing, even the skeptic among them. **FILL THE SKY** is about the complexity of friendship, the power of the spirit, and the quest to not simply fight death, but to shape an authentic life.
