How to Get Into Medical School: Secrets to Success Artur J. MD

Written from the unique perspective of a current resident physician, this book offers a comprehensive overview of the medical school admissions process. This book is primarily intended for high school and pre-medical students planning on applying to medical school and is comprised of the lessons and insider secrets learned by the author's own journey through college, medical school, internship and now residency. Topics reviewed include: - How to organize and structure your undergraduate years - Choosing a college major and the importance of your GPA - Resources for the MCAT - Planning extra-curricular and volunteer activities - How to go about shadowing physicians - Thoughts on scientific research - How to write an effective medical school personal statement - Interviewing for medical school - 50 questions you're likely to get asked during your interviews, and how to answer them - Tips on how to have a successful start to medical school - And much more...
