Ted's Bike Ride is a fun rhyming children's picture book that introduces children to Phonic sounds for the first time. Ted's Bike Ride tells the story of a Teddy Bear named Ted who travels along on his bike meeting a range of animals as he goes. Ted takes the time to learn the noises of the animals that he meets in a fun and entertaining way that both adults and kids really enjoy. Expect to find yourself Mooing and Woofing and Oinking out loud with your children as Ted meets a range of animals that include a cow, a dog, a pig, a horse and a sheep until he finally returns home and meets his stereotypically grumpy cat. Ideal for kids aged between 2 to 6 years, from toddlers upwards and for boys and girls, Ted's Bike Ride helps children to learn to read by introducing new readers to the phonic sounds made by the animals (such as the moo of a cow). The big bright pictures within the animal story bring the script to life and will have your children laughing, pointing and reading along to the animal sounds as you read together. Although not written by Julia Donaldson, Ted's Bike Ride is written with a similar rhyming rhythm which is easy to read and makes any adult or child sound like a natural story teller. Ted's Bike Ride has the potential to be a 2017 Best Seller as parents and children around the world fall in love with the character and his cycling adventure.
