Meet the Cookes: mother and dad, brother Lowell, sister Fern, and our narrator, Rosemary, who begins her story in the middle. She has her reasons. "I spent the first eighteen years of my life defined by this one fact: I was raised with a chimpanzee. It's never going to be the first thing I share with someone. I tell you Fern was a chimp and already you aren't thinking of her as my sister. But until Fern's expulsion, I'd scarcely known a moment alone." Rosemary was not yet six when Fern was removed. Over the years, she's managed to block a lot of memories. With some guile, she guides us through the darkness, leading us deeper into the mystery she has dangled before us.
